[illegible]

An open notebook with a dark cover is shown from a top-down perspective. The left page contains a large grid of 12 rows and 12 columns of squares. To the left of the grid, the numbers 1 through 12 are written vertically next to each row. Above the grid, the powers of two from 2048 down to 1 are written horizontally above each column. The right page is mostly blank, featuring a rectangular box at the bottom labeled "Notes".
